

Celebration Evening 2010

For 19 years, Girls Incorporated of the Berkshires, a program of the Gladys Allen Brigham Community Center, has recognized the accomplishments of girls and women in our community.

We will hold the 20th Annual Celebration Evening on Thursday, May 6th at the Berkshire Museum. This year we will be awarding eight scholarships to girls that are active in community service and are seniors at Berkshire County High Schools going on to pursue higher education.

The presentation of the annual "*She Knows Where She's Going*" award will be presented to Nancy Woitkowski, Berkshire County Liaison for Westfield State College and former Director of Guidance at Taconic High School, who has shown energy, enthusiasm and determination in realizing her goals.
